

hynamics

EDF GROUP

Producer and distributor of low-carbon
and renewable hydrogen

STARTING EARLY

NEW YEARS RESOLUTIONS – THE PLAN

Exercise more	Weight loss	Spend more time with family	Volunteer	Save money	Reduce stress
Eat healthier	Connect with loved ones	Learn a new language	Travel more	Quit smoking	Cut down time on social media
Get organized	Read more	Improve diet	Professional development	Decrease your waste	Learn a new skill
Smoking cessation	Drink less alcohol	Travel More	Drink more water	Start a new hobby	

POSITIVE AMBITION

NEW YEARS RESOLUTIONS – THE SAD TRUTH

Improper planning

Resolutions are essentially intentions

and not commitments

Your goals aren't specific enough

High expectations

Missing motivation

Overconfidence

Lack of specificity

Lack of support

Not tracking progress

You lose focus

You tried to do it alone

LACK OF COMMITMENT

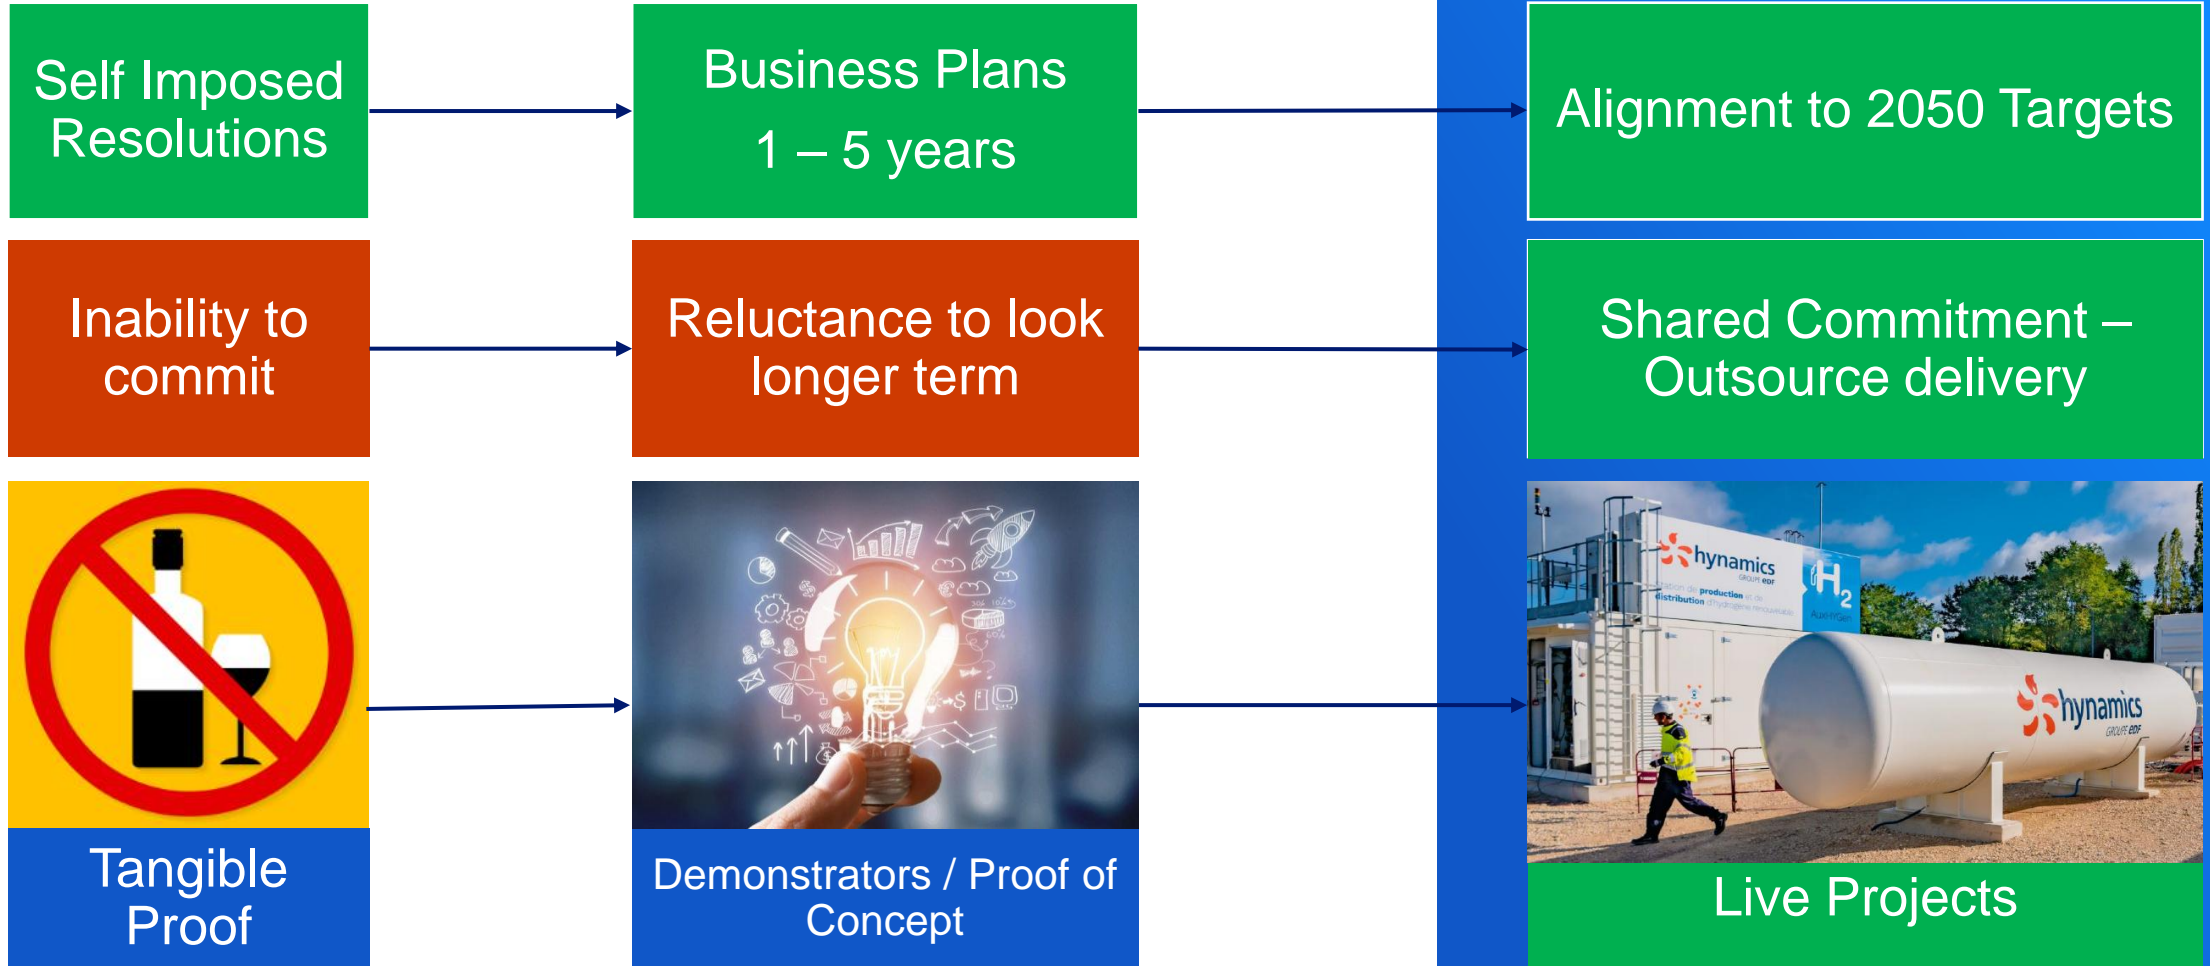

ONE THING THAT WORKS?

BUT ACTUALLY DOESN'T

THE RELEVANCE

OUR DESIRE TO BE BETTER, BUT CHALLENGE TO ACHIEVE IT

ALL ABOUT HYNAMICS

"COMMITTED TO LOW-CARBON HYDROGEN TO INVENT AND BUILD A SUSTAINABLE FUTURE".

01 100% SUBSIDIARY OF THE EDF GROUP

02 3 MARKETS ADDRESSED

INDUSTRY MOBILITY E-FUELS

the largest CO₂ emitters

03 180 EMPLOYEES – UK TEAM 25

04 PRESENT IN 3 COUNTRIES

2019
Creation of Hynamics

2020
Creation of Hynamics Deutschland

2021
First projects in the United Kingdom

05 60 PROJECTS IN DEVELOPMENT

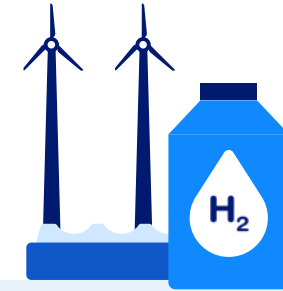

More than 1 GW of electrolysis

06 CENTRAL TO STRATEGY

HOW WE DELIVER SOLUTIONS

AN INTEGRATED PLAYER, BACKED BY THE POWER OF THE EDF GROUP

01

OUR GOAL

To make a **significant contribution** to reducing the CO₂ emissions of our customers and partners **in the industrial and heavy/professional mobility sectors.**

02

OUR METHOD

To propose a **turnkey H₂ offer**: to develop, invest, build and operate high-performance facilities for the production and distribution of low-carbon or renewable hydrogen in complete safety.

ACTIVATION OF THE
ECOSYSTEM

INVESTMENT

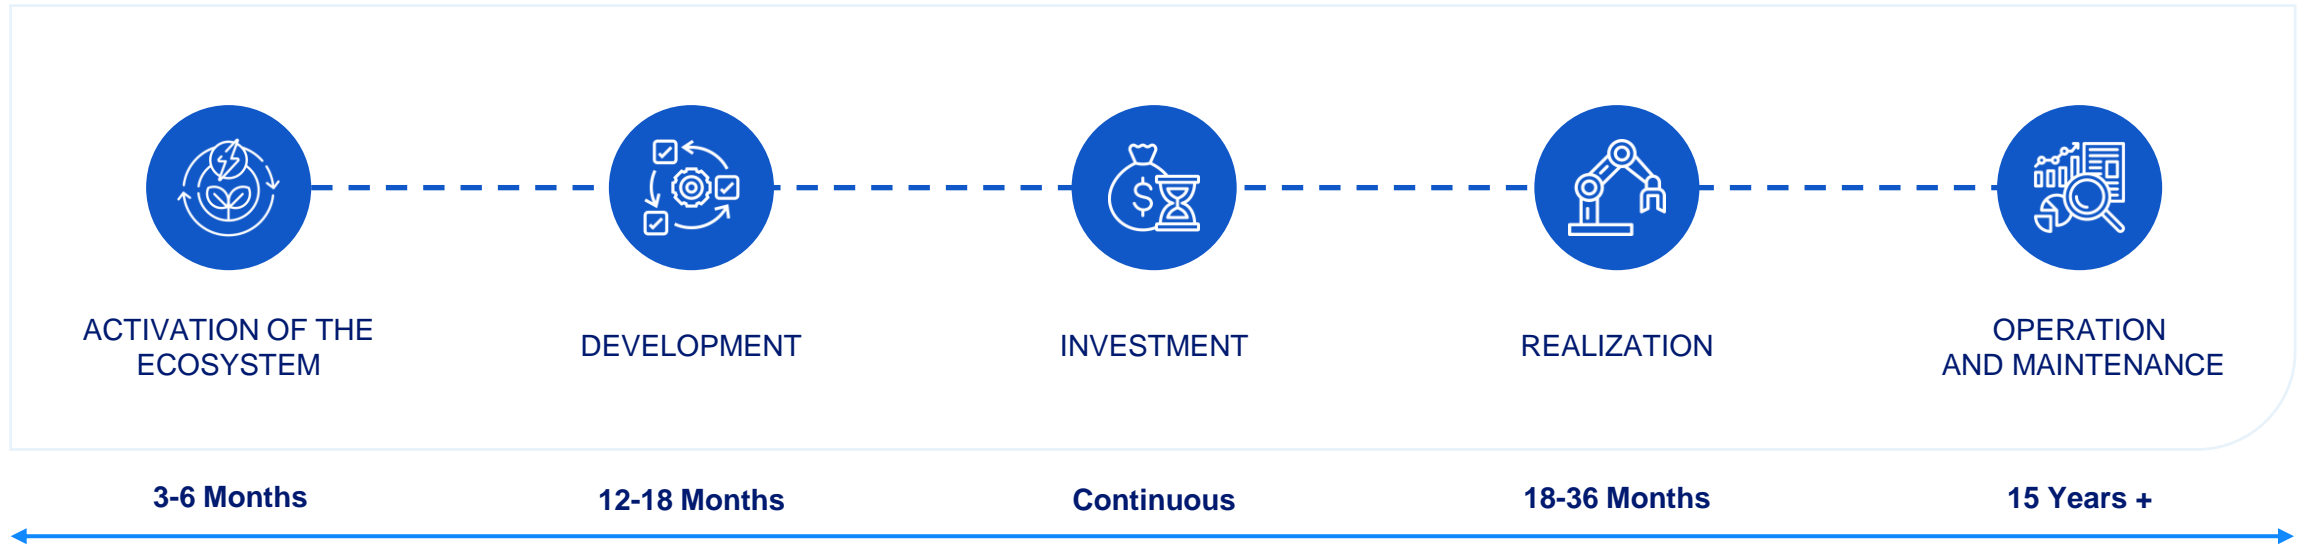

REALIZATION

OPERATION
AND MAINTENANCE

A FINAL WORD ON COMMITMENT

A LONG-TERM ENABLER OF YOUR SUSTAINABILITY GOALS

20 Years +

01

OUR COMMITMENT

- To be a credible and reliable partner, backed by EDF group
- Act as technical specialist to supplement in-house resource
- Be an enabler of your enduring strategy to achieve Net Zero

02

YOUR BENEFIT

- Long term certainty of low carbon or renewable fuel sourcing
- Stable cost base for effective base
- Early action to access enduring impact on Net Zero targets

Thank You

We are committed to your Net Zero future
